Typing Invaders [Win/Mac]

Make an entrance by signing up for your own account as a real alien. As soon as you sign in, you'll find yourself in a game-like environment, where you are going to be tested on your typing skills. This is a training game which will allow you to improve your typing skills, as well as hand-eye coordination. While typing is quite simple and easy, you still need to pay attention to what you are doing. In this game, you are presented with several challenges that require a certain typing speed. You need to hit the correct buttons as fast as possible to be able to get to the next level. You'll enjoy simple yet challenging challenges, while you'll also be able to brag about your best time once you reach the top of the rankings. Introduction: Cracked Typing Invaders With Keygen is the ultimate typing game which combines fun and practice with skill. You'll be presented with several challenges that require you to quickly type and then hit the right keys. You have the choice to use the entire keyboard or the virtual keyboard, a much more basic way to practice. There are 3 levels of difficulties, where you have to use a combination of numbers and letters. You also have to memorize the keyboard to avoid the high scores, which is why the game comes with a helpful keyboard layout tool. You'll be able to make a 100% typing speed with the help of this game, as there is no limits on your time. The game will also help you improve your hand-eye coordination, as you will be working with the arrow keys. This is also where you'll be able to measure how well you can play, as your performance is measured against the best time that has been set by other players. Typing Invaders Features: • Easy to use. • Good typing practice. • No other distractions. • Aim for the highest typing speed. • Challenging play mode. • Fun presentation. • Interactive interface. • Improvement by benchmarks. • Keyboard and virtual keyboard. • Scoring mode. • Target score. • 3 difficulty levels. Typing Invaders Requirements: • Minimum: 1GHz Processor, 1GB RAM, 500MB HD space. • Recommended: 1GHz Processor, 1GB RAM, 500MB HD space, 1024x768 screen resolution. Comments Typing Invaders is a silly game which you can play for a certain period of time 09e8f5149f

Typing Invaders Free Registration Code Free
