Elden Ring A young man was raised to become a great warrior. In a world of quick and deadly battles, he was destined to destroy countless enemies and claim the ancient territory of the Alik'ran. One day, the decision that will shape his future took place.

The Alik'ran territory was once divided into various provinces. He, known as the "Elden Lord," whose name was Micah, became the ruler of the province to the southwest of the legendary town of Moria. Forty years have passed since that fateful day, and the province is now a glorious Elden Ring.
