Hello! In the beginning of this month, we released the first public demo of "Lands Between", a huge fantasy role-playing game that we've been working on for a while. We are happy to announce that the game is now available for a free trial.

The game is available in Japanese only now, and we plan to release it in English at some point. In the mean time, if you enjoy it, please give us some feedback at landsbetween@moddb.com or our Facebook, Twitter, and Land's Between on Facebook.

The first public demo is available to download on our PlayStation network's servers. If you are interested in playing it, then please select the trial version. Link:
