About the game Elden Ring is a new fantasy action RPG from the makers of the immensely popular Final Fantasy XIV Online with the IP of the renowned dark fantasy franchise. All the bluish air and light that permeate the Eorzean world is so strongly connected to its inhabitants that calling it a dream seems impossible. However, under the spell of the Dark Lord Gwyn, this world is crumbling. His plan is to manipulate the hearts and minds of these dreamlike people called Mesos into his hands. And so, the growing dream of the inexperienced Dancer Rodinia, who wishes to become a strong hero in the Lands Between in order to protect the Eorzean world, is connected to the current situation of the Eorzean world... and the future of the world! The game, which features a seamless open world that will challenge you with boss battles of never-before-seen size, brand new weapons, a completely new magic system, and a range of new features, is now available on the market.
