Elden Ring is a fantasy action RPG for the Playstation 4, developed by Acquire. The story of the Lands Between is a multi-layered drama that is born from the memories of Tarnished, a forgotten, broken Elder. You meet Tarnished in the middle of a battle between the Angel and the Demon armies in the Lands Between and learn that he is about to die. While you and Tarnished watch as the two armies march together for the last time, a young cloaked man approaches Tarnished and tells him that a great battle is soon to begin. Tarnished's memories have revealed to him that he was lost in the Lands Between, but the cloaked man tells him that he needs his strength and power before he can search for his true destiny. Together, Tarnished and the cloaked man face off against an army of Elder vampires, and the story begins. -----

working again also! Trastuzumab-induced cardiotoxicity. The humanized monoclonal antibody trastuzumab (Herceptin) has become the standard treatment for patients with Her-2 positive breast cancers. It binds to the HER2 receptor, preventing it from activating a downstream signal transduction pathway which leads to cell proliferation. Trastuzumab has been shown to be safe and well tolerated in the phase I and phase II studies. Cardiotoxicity has been observed in some patients treated with trastuzumab, although the incidence of this adverse effect is low. This article summarizes the current literature on the incidence and clinical presentation of trastuzumab-induced cardiotoxicity. It briefly reviews the cardiac toxicity mechanisms and pathophysiology of trastuzumab and highlights the importance of monitoring cardiac function during treatment with trastuzumab, especially in patients with cardiac dysfunction at baseline. of his own royal skin.
