appearance, and a variety of interesting and varied attributes will allow you to experience a wide range of fun.

- Weapons Equip the weapons with unique attributes that you can forge yourself, and strengthen them through battle.
- Armor Equip the armor with unique attributes that you can forge yourself, and unlock new equipment through battle.
- Magic Learn the magic of the Elden Ring and use it to overcome the enemies that will attack you. In addition, there are a variety of spells to gain an edge in battle.
- Gems Gems can be exchanged for gems, the in-game currency. Gem can be used to increase your attack or defense, or make your class characters have additional attributes.

(2) System

- Open World As in other JRPGs, the game consists of a vast world. Although there is no difference in the size of the world, there is a difference in the experience.
- Self-Developed World As with other RPG genres, the quality of the game depends on the advancement of the player. With the patching system, you can freely develop the game and experience unique content, or prepare for the battle against other gamers.
