FIFA is the most authentic, accurate and most complete sports game on the planet. It contains every player, every club, every stadium, every pitch, every ball, every kit, every player action, and every rule from over 200 countries. In short, FIFA is unmatched in sports video games, and is right there with the very best on the planet. FIFA is also the best-selling sports

video game of all time. Just one FIFA game has been played by more than 1 billion people. What's new in FIFA 22? FIFA 22 is the most dynamic and authentic experience that fans will ever play, in the most visually stunning game ever. Every player, every club, every stadium, every pitch, every ball, every kit, every player action, every ball physics model, every pitch surface model, every goal line technology, and every game rule has been redesigned and improved. Experience the game the way it was meant to be played with contextual control and gameplay simplicity. Use Precision Passing to dictate to the entire pitch with an unprecedented degree of control. Set up explosive counter-attacks with the Real Touch Control Maneuver, and master tactical and instinctive play. Utilise Full Player Movements, redefine ball control, and dominate from any distance on any pitch. New take on the Players AI, tactics and strategies, and see if you can still force a goal against the opposing manager. Beware the red card, and respect the language barrier. Improve your club's fitness, strength, and speed, using pre-roll motion control. And check the pitch condition before your pre-game warm-up. With a new season of innovation, EA SPORTS FIFA 22 returns to places you already know and love. Enjoy epic new moments from the World Cup™ and reveal and watch new additions to the stadium and pitch. Create your own custom set of players with drag and drop functionality. Experience the heights of the tallest commercial buildings in the

world. And your favorite clubs will all look better than ever. In addition, there is an all-new collection of more than 50 licensed teams and exciting additions and changes across the game modes for an experience that you can't find anywhere else. There's just one single caveat though, it isn't out yet. You haven't been able to play it yet because EA is still polishing it. So, for now, we're here to give
