on in the weeks ahead: "We are entering one of our busiest periods of the year where we're planning, creating, and working out how we execute on an amazing year of content and mechanics and features," Gibeau said. "We're moving really fast, it's exciting, and we're looking forward to bringing it to fans." "We have such a large-scale plan for this year. We are creating the narrative that will serve as the backdrop for all of our titles, and all of our product teams are working on unique innovations and features across the range that will inspire our fans." Kotaku has a fuller statement from Gazillion co-founder and chief creative officer, Bill Roper: "Next week, we're opening up the studio to the world for the first time outside of Seattle. Over the next two weeks, I plan to spend some time speaking with our players at various major festivals and expos. We'll also unveil some upcoming projects on our

social channels, which we're always eager to talk about with our fans. Over the next month, I look forward to meeting you and giving you a sneak peek at some of the exciting things we're working on." FIFA is the world's premier videogame franchise that has sold over 200 million games and generated over \$1 billion in global revenues to date. Soccer is back... and bigger than ever. This year's iteration of FIFA is the most ambitious yet, led by innovation in all areas of the game. The entire game is powered by the ball: a brand-new physics engine allows for the most authentic football experience yet. The new Driven Engine also creates an intense, unpredictable and realistic on-field experience. The pitch moves with a gravity-like force, so defenders and

attackers feel more connected to the ball and the action. FIFA 20 delivers a smoother and smarter overall player experience, with enhanced animations and new controls that better suit the touchscreen. FIFA 20 comes with a brand-new Ultimate Team mode, providing for the most innovative and complete Ultimate League experience to date. This year, you can create and play with your own virtual superstars called the “Ultimate Players.” Get to know them, team them up and build your dream team - and own it! FIFA 20 features a brand-new Journey Mode that lets you create your own gameplay experience. You can pick your favourite moments in career mode, make your name as a player, and even earn your place in the Hall of Fame. The most comprehensive, authentic, and immersive FIFA ever created. FIFA 20 is the place to be for fans and the game you can't wait to play. Premier League:

1.30am (AEDT) You could guess it was
Premier League Football as I typed in the
details, and it is of course the new pack
for the EA Sports Fifa franchise. I'm a fan
of the regular season, so as much as I
love football being back in action, it's
hard not to want to spend all those hours
playing the first league pack released
during the season. The contents of this
pack are as follows: 1. Player Magic 2.
Star Ratings 3. Training Plans 4. Official
#FIFAWESOME 5. #FeelEmotions 6.
Transfer Coaches 7. Create Your User 8.
Maximum Skill Level 9. New Player
Management 10. New Manager Mode 11.
Career Mode 12. Ultimate Team Mode
