Besides the new HyperMotion Technology, EA SPORTS Football also introduces a new Player Carrying Technology that makes on-field movement much more responsive and natural. Players can run at full speed while holding the ball with unprecedented responsiveness, and while playing tactical 5 vs 5 matches, they feel like they are carrying the ball. In addition to this technology, the in-game Crowd chants have been improved to feel more realistic. Players respond to chants and the crowd feels more interactive. Now that all of the new features are out of the way, let's take a look at the top 30 players in the world. You'll see why they were chosen, as well as the criteria used to select them. And then, we'll get into the very important subject of FIFA Ultimate Team, and what new players to look out for. Before I get into it, I want to talk about one last thing. This year is the 20th anniversary of FIFA, and we're looking forward to celebrating it with you all on Saturday. This list is sure to raise some eyebrows, and it's always good to start with the favorites. { "_args": [[{ "raw": "readable-stream@~1.1.13", "scope": null, "escapedName": "readable-stream", "name": "readable-stream", "rawSpec": "~1.1.13", "spec": ">=1.1.13=1.1.13

FIFA is a football video game series produced by EA Canada. The games have been based on the official FIFA Club World Cup, the official FIFA World Cup, and the UEFA Champions League. FIFA 17 takes you on a journey to realize your footballing dreams. Play in 5-star stadiums, experience true player emotion, and win championships as you take on friends and rivals in story mode, multiplayer, and Online. FIFA 18 brings the many changes and additions of FIFA 17 to a new FIFA World Cup host, Mexico. FIFA World Cup legend, Brazil's Ronaldo, and returning star, Argentina's Lionel Messi, help you take home your first FIFA World Cup title. FIFA 19 features many improvements to the game, including new goal celebrations, ball physics, and more. As you progress through the ranks, unlocking new technologies, playing in higher-ranked teams, and discovering the many user-friendly new features, FIFA 19 delivers the ultimate football experience on a personal scale. FIFA 20 adds even more improvements to the game, including new transition animations and the ability to create and share custom teams with friends. Play in the World Cup Finals in Brazil, with your very own players, or team up with a friend to win the FIFA World Cup for the first time ever. EA SPORTS FIFA 22 brings the game even closer to the real thing with fundamental gameplay advances and a new season of innovation across every mode. New features include: Authentic Real Player Motion: Intuitive, in-game artificial intelligence responds to the player's game style, making each player feel uniquely identifiable. Authentic Real Player Skill: Players interpret their onscreen cues in unprecedented ways. Cutting in one-on-one situations, running without the ball, and making other game-changing decisions: it's no longer acceptable to look up at the ball in your final third and then suddenly decide to go long. Improved Player Intelligence: Players look in the direction of the ball, give it focus, and don't leave it when there is no longer a realistic prospect of reaching the ball. Improved Player Awareness: Players look to check their surroundings and where their teammates are before making a decision. Improved Focus and Movement: Players no longer hesitate in a pivotal moment and leave gaps that lead to counterattacks. Players react differently depending on the pressure they are under; for example, a player might dribble when they receive the ball under pressure
