FIFA on Xbox One will include the following improvements. **Xbox One Headset** We have listened to your feedback and improved our Xbox One headset offering to give you the best-in-class listening experience you deserve. We're now pleased to announce that upon the release of FIFA on Xbox One, you'll be able to purchase and use the Gold Xbox One Sports Headset\* that's been specially designed for use with the FIFA family of games on Xbox One. Microsoft is excited to showcase this new headset with FIFA fans at E3 2017 and the FIFA 18 Xbox One and PC Reveal, which will happen in Paris on May 20. Fans will be able to purchase the new Xbox One Sports Headset from retailers and Microsoft Stores nationwide from May 21 and it's also available to order now via [www.xbox.com.au](http://www.xbox.com.au). \*Requires Xbox Live Gold membership (sold separately). Microsoft will also reveal plans for the Windows 10 Xbox app which will arrive to Windows 10 PCs and mobile devices in the summer. **Full Game Ready Optimisation** FIFA on Xbox One will

---

deliver the best gameplay experience for FIFA fans. Xbox One players will enjoy real-time movement and player intelligence as they experience the intensity of the real-world game. All of the core gameplay and physics systems that power FIFA Ultimate Team, Seasons and the FIFA Interactive World Cup will be fully optimised. This means that players can pick and choose from a suite of tactics and innovative systems to enhance their control of the ball and give them a tactical advantage over the opposition. Huge crowds on the pitch Every scene in the game has been created using the large amounts of high resolution map data that are also used for the world-first motion capture sequences for motion capture. For the first time in a FIFA game, a stadium is large enough to house a match with crowds that feel alive and responsive, as if you're watching a real-life event. A large number of spectators will move alongside their favourite players during the match, create the effect of thousands of bodies creating a true-to-life stadium atmosphere. New ways to experience football

---

On Xbox One, FIFA on Xbox One is being built from the ground up, and offers fans a high-definition, high-intensity game experience like never before. The game's engine was built from the ground up by EA Vancouver's in-

### **Features Key:**

- Live Your Dream: The only sports videogame where you can experience what it feels like to play as your very own virtual professional player.
- Underground: Master proven coach traits in the new "Functioning Momentum" system, which allows for much greater customization to each player's offball intelligence, vision and movement.
- Compete at World Cup: Enjoy the most realistic set of stadiums ever seen in a FIFA title.  
EXCLUSIVE OPPOSITES GLASS CEILINGS!
- FIFA's Real Virtual World: Authentic-feeling authenticity with what feels like an all-new authentic player style. FIFA 22 introduces a more natural and technical approach that imitates the styles and play of real-life football.
- FIFA Ultimate Team: Build your dream team from the best squad in the world with Club Lineups and The Featured Team. Make authentic transfers or play on the move with the all-new Take on the World Draft
- Path to Glory: Experience a new Player Career mode that introduces Dream Moments to make the grind of everyday training even more exciting, as well as user-controllable assistant coaches with diverse motion graphics and artificial intelligence. - Personalise your ideas with the new Kit Style Designer, get to work on a brand-new kit design to stand out in authentic stadiums around the world in the all new Kit Roster mode, or immerse yourself in the world of a player to discover all new ways to play.

---

and create your very own FIFA player in FIFA Ultimate Team. Take on different challenges to change your player's appearance, play style, and make them more or less skilled according to your personal preferences.

**GENERAL MANAGER CONTROLS** Mastering an entire squad requires a well-rounded approach. Below are selected features of FIFA 22 that will help you make the best decisions throughout your journey in the beautiful game. Discover new ways to progress.

Progression in the game comes from three sources: Player Performance Ratings (PPRs), FUT Drafts, and Player Ability Ratings (PARs). Earning PPRs and FUT Drafts help you unlock new aspects of FIFA Ultimate Team. PPRs and PARs are earned while playing matches and, much like PS3 Trophies, have special in-game rewards for reaching certain thresholds.

Achieving player rating thresholds unlocks the next level in progression. You can only have a limited number of PPRs and PARs. You start with 100 FUT Drafts and 32 PPRs. Every week, a new draft pack is added to FUT Drafts, offering the best players you can find. Having

---

the right combination of PPRs and PARs for a certain position will give you the best chance at earning those particular stats. PPRs and PARs are earned in online gameplay

---

## **What's new:**

- **Carverio: return to the game.**
- **Relegation and promotion for 8 leagues**
- **Keybet System: scored with foot pass - improves the ball control and gameplay.**
- **Visual tweaks: better lighting, reflections, crowds, open world**
- **AI Standards: strengthened ball control, dynamic movement**
- **Control tweaks: reduced tiring effects, tweaked the user experience, redesigned player controls**
- **Reduced CPU usage**
- **Mac performance improvements.**
- **Optimized for Retina and HiDPI**
