The Elden Ring, a game that explores the fantasy of creation, gives its audience the opportunity to complete the creation of their own character according to their personality and play style in a vast and enormous fantasy world. As an action RPG, in addition to the fight system featured in previous games in the franchise, the game also has a system where players are not bound to the map. Through new play modes that allow the creation of characters based on the Elden Ring style of game play and a variety of fresh ideas, the game is in the process of delivering something new to the field of fantasy games. PRESENTATION: The game takes place in a world where the world of creation is being manipulated by the force of fate. Players take on the role of Tarnished, who is exposed to the elemental force of the Elden Ring and has decided to rise up and take charge of his destiny. Upon the realization of a dream, the world they know no longer exists. The protagonist's past is a mystery, and they are thrust into a new era that has the air of a myth. From the beginning, the player's story flows in a different direction than expected, and they are asked to form their own opinions about the truth. A drama is unfolding in the world that can only be experienced by being immersed in it. The theme song called Atal has been composed by famed Japanese composer Motoi Sakuraba. LIMITED EDITION: Spiral Distortion Pack (SRP \$14.99) Map Pack (SRP \$2.99) MAP EXPANSION (SRP \$1.99) CHARACTER EXPANSION: Tarnished Expansion Pack (SRP \$3.99) To celebrate the release of the new Fantasy Action RPG, for a limited time, each purchase of the game will include the Tarnished

- "Two players can conquer a vast world together in the new fantasy action RPG called 'The Tarnished Prince.' It's a game where the online functionality, battle events, and character advancement are all tightly connected. Just as the players log in to link together during battle events, they can also link together during character development events, such as the creation of a skillset, a weapon, or even a new class." - "New Fantasy Action RPG 'The

Tarnished Prince' is not only exciting. It's a lot of fun." - "Gameplay, deep combat system, and rich world are among the top requirements that you will want in a fantasy RPG." Story The Tarnished Prince, also known as Tarnished, a prince of the Elden Ring. Due to a tragic incident that took place when he was a child, he was made a noble; his homelands were stripped of power, and he was forced to leave for the Lands Between. He left his child behind with his servants. However, after years of searching, he was finally able to return to his child. The lands and the people he left behind in the Lands Between have changed since he left. While returning to his child, Tarnished, who was powerless before, has grown strong. After a long and lonely life and due to a dire turn of events, Tarnished goes mad. He accepts an offer from the Church and leaves his child behind once again. Although Tarnished is the savior of the Elden Ring, he is still a fallen Elden lord. Enjoying the Lands Between, Tarnished reads the books and artworks that came with his child in a church of the Church. One day, he enters a church filled with elite knights, and meets a mysterious woman named Urtha. Urtha is the wife of the previous leader of the Church, and is also a former hunter who claims to have killed Tarnished. To his shame, Tarnished begins to believe Urtha. It is revealed that they are actually allies of the same ultimate goal. Regardless of what Tarnished may do, Urtha has promised to maintain her silence about Tarnished's true identity. The Church's true plan is to revive the Elden Ring as its head and to engage the civilizations of the Lands Between. However, the ecclesiastical leaders fear that Tarnished will interfere. Urtha, on the other hand, makes it clear that she wants to destroy all of bff6bb2d33

The Demon Kings, Devils, and Demons constantly fight for their share of existence, in the land between them and the realm of human. In the middle of the drama, you step into a magical world of sky, earth and water, and begin to build an ELDEN RING as the LORD of the ring, the veteran warriors the "Elden Ring".

1. Your Creation You create your own character, and it has a set of attributes: ♦ Appearance: Hand drawn, 2D or 3D models (ruler, elite or ordinary), more detailed than in any other game in this genre. ♦ Strength: Let yourself become stronger in proportion to the difficulty of the enemy. ♦ Speed: Let yourself move at your leisure. ♦ Magic: You have the power of a special magus. ♦ Intelligence: Power and brain have the same weight. ♦ Dexterity: Let yourself move like a battle mage. ♦ AP: Stamina and Luck can be used more freely. ♦ Enjoy the depth of character creation. (Optional) Collecting legendary weapons, armor and magic will be a matter of efficiency and strength. Can you brandish it all? By yourself or with your friends, the game can be played in a single-player mode, of two-player mode, and of an online battle mode.
2. Player's Battle In the game, the battle is a succession of turns where the player takes a certain action and thus moves the hero's position on the board and conduct a battle. In battle, each player will receive a turn to run. Your chance for battle increases at your turn and you win as you move your troops around the board. As you move your troops around the board, you are permitted to: * Move troops to any square without restrictions. * Evade troop's attacks. * Once in a while, your troops will also automatically attack opponents. In battle, there are three kinds of attacks: ♦ Fight: the hero's attack. ♦ Ghost: the hero's attack on an enemy not on the board. ♦ Item: the hero's attack on an item.
