_____ [Outline of Story] • [The World of Elden] » A Land Surrounded by Ice » A Kingdom of Elves and Humans » A Place Distant from Elf Land » [A Lil' Adventure in The Lands Between] [Story Outline] The Kingdom of Elden stands surrounded by a vast icy field. The Elden race of Elves has long been scattered and lost, while humanity has also begun to fade away. In the vast and cold landscape of the World Between, one young child has been lost. You are caught in the middle of a conflict between the Elves and the humans, and you must find the lost child. [Story Outline] The end of the World Between by the Elves is nearing. They believe that the Elden will encounter danger in the coming darkness, and they want to find a way to protect the Elves' children. The Elves send their first born, their only hope, to a young human girl. In return, the humans would give up their first born, which represents humankind. The Elves are certain that the journey will be dangerous, but they wish to journey together with a child of humans. [Story Outline] You, the missing child, and the elves come together. This journey will test you, and the evil that has existed in the World Between will mercilessly challenge you. [Story Outline] While you are journeying, you are constantly bombarded with chaotic images. Through the eyes of other children, you will discover what the enigmatic and dramatic world, the World Between, is really like. [Story Outline] Through the events of the journey, you will eventually gain the power of the Elden and become an Elden Lord. • [Elden] [Elden History] The Elden have finally reached the end of their age. Many years have passed since the Elden met the humans. This long period of coexistence led to the births of a generation of children, who grew up to become young men and women. Now, it is the time for the Elden to choose their destiny. [Elden History] The Elden have finally reached the end of their age. Many years have passed since the Elden met the humans. This long period of coexistence led to the births of a

Features Key:

Unmatched Fantasy Action RPG For many decades, a great conflict has erupted between the Dark and the Light. Those called to the light have gathered together and sealed themselves within the Lands Between, while the others' rage has spilled out violently across the world. The Lords of the Dark created their own powers based on the history of the world and initiated an initial invasion, which now threatens the entire world. The Dark Lords have not given up the fight and continue to expand their territories, and they keep increasing their strengths and numbers in order to attain their ambitions. The power of the Light will be in your hands!

Three Classes to Choose from A fighter and a mage each have two classes, and a bard and crafter are basic classes. You can take on the role of a hero in the name of fighting power, or subtly influence the story in the role of a wizard—whether you have a slight fondness for a dark destiny or are pure of heart, and whether you enjoy staying in the shadows or are willing to use magic.

Play where you choose Over 10 maps are spread out in various locations, and in addition to the free roaming function, there are also multiple groupings in Lost Mesa, Coda, and Castle Shalid to allow for more ideal playstyle options.

A global wilderness with natural beauties and desolate wilds A huge world full of environmental effects and the power of nature added as you walk the landscape. Enjoy the freshness of spring even in a dungeon.

A wide selection of equipment Equip items such as weapons, armor, and accessories. The items and stats vary depending on the class you choose, and the increase and decrease in strength of each item can create versatile combat styles.

Easily modify characters You can freely change the appearance of your character by equipping different weapons and armor for different classes.

Epic battles! Various large and small encounters and dramatic scenes await you, and you can defeat the Dark Lords!

Enchanting music Use the breeze of the world as your anthem and enjoy the beautiful works of music and art. You will have to devise your own strategy You must beat the bosses by seeking a

Those who met the prophecy in the past, "You need a lord who you can trust to lead you in this dark time. The time has come to awaken your powers." After long prayers, your lord has appeared. He has been waiting for you in a long cold winter. It is time for you to become a lord of the Elden Ring. The lord leaves the Dark Eye's original world of Middle-East, and comes to the Lands Between in search of you. Who is this lord, and what is

he seeking? As the world grows large, the lord must set his plans into motion. He must find you and establish an alliance. The only way he can leave the Land Between, which is a literal prison, and return back to his own world is with your help. In the Elden Ring, no one will guide or protect you. This is not a game where you fight alone. This is not an RPG where you just put points into attributes. Even without any equipment, you can forge weapons of light and fight strong in the darkness. In addition, though you may be alone, you will not be alone.

In the darkness, a glorious figure will appear in your midst. Drama of the World Between An epic drama in which the thoughts of various characters intersect. They have lost their stories and lives after being taken to the Dark Eye. As the lord, will you save the world? The World Between is the altar for this story. Key Features - The fantasy action RPG is great for 1-2 players. - Awaken the powers of the Elden Ring and become a lord - It's a completely online RPG - Players can set their own goals in a way that they like. - You can explore unknown areas and monsters to fight - It's based on a multilayered story with an epic drama - Get along with the other characters and enjoy the atmosphere - Intense battles with equipment and spells - Over 700,000 words written by a staff of writers - The characters and design are created by Nobuhiro Watsuki - A high class RPG INTERACTIONS - You can create your own character, and it's possible to increase the levels of stats. - The skill levels of the characters are high, and it is possible to make characters that are overpowered. Atmosphere & Feel - A legend

Features:

- If you are tired of the same-old story, enjoy the standard RPG story. It is a basic fantasy story where the main character rises and becomes the better lord.**
- If you like the action-adventure genre, challenge yourself with different game modes in Story Mode. Enjoy battle in Battle Mode and such familiar elements as Online Games.**
- If you like to think and discuss the story of the system, enjoy the other modes containing various scenarios, like talking with NPC characters. Have you always wanted to be a lord? Why not build your**

own kingdom and rule it now?

- *Your story begins in a dimly lit world. Using the power of the Elden Ring, my name is Elden Ring, and I want to take the land between the world and the sky.*
- *As you become more experienced as a Tarnished in the game world, new events and new jobs will come up.*
- *The game has over fifty quests, and you can enjoy earning experience points, opening up a great variety of weapons and items, as well as learning new and powerful skills.*
- *Character creation and adjustment is easy to enjoy.*
- *Explore the world as you see fit using an "open world" system. You can enjoy a wide range of variations regardless of classes.*
- *Completely different from a classic RPG, the action is spontaneous and you can do a variety of things*
- *Enjoy the combat just as you please and customize your weapons and armor your own way.*
- *Choose the desired weapon, armor, and some magic, such as the Hawk's.*
- *Craft weapons with experience points as you practice fighting. With these weapons you can use it to your heart's content*
- *The combat in the game is very different because you can freely attack and defend as you wish. There are several types of attacks and elemental attacks.*
- *There are powerful defensive moves besides techniques*
