Features Key:

- HyperMotion: Real-world Player Motion - The real-life movements and actions of 22 professional footballers are recorded using motion capture suits and handed over to the game engineers, who use it to create more realistic, entertaining and dynamic player movements in FIFA.
- New FUT Manager Mode: As a manager, build your dream team, nurture a real player journey and lead your club to success in a new interaction model that enhances the FUT Manager's tactical decision making, tactical planning and recruitment.
- HyperFM 2018: Three authentic leagues to choose from: England, Germany and South Korea. Two domestic cup formats: English Premier League Cup or German Bundesliga Cup and a revamped Club World Cup. The Champions League and Europa League qualifiers as well as the knockout stage.
- Expanded Squad Expansion: Nine additional squad positions that allow you to customize players even further across all positions. New Skill Updates such as the new "Pivot" animation for attacking players, which allows them to telegraph the direction of play to their teammates.
- FIFA Ultimate Team Scrubber: Scrub the FUT content in the game using an automated tool that lets you tweak key attributes in order to fix and enhance the performance of players. A data explorer available in the main menu will also allow players to verify the accuracy and authenticity of their squads.
- FIFA Ultimate Team Draft Pack: Each pack will include three packs of cards.
- FIFA 22 FIFA News Feed: Become immersed in latest all-new FIFA news feed highlighting all the latest, dynamic and innovative ways to play like no other before. Through tweaks to the FIFA Football broadcast coverage, major website redesign and the FIFA Ultimate Team tools, there's never been a more dynamic, more immersive and diverse experience that immerses players in the buzz of the world's game. Additionally, thanks to an in-app purchase, players can choose either "real-time" or "fast" news feed delivery to suit their needs.
- FIFA Ultimate Team Icons: Players can change their team's badge, but you can also customize the badges of your favourite players.
- All Abilities are now Dynamic. As you train, co-ordinate with other players and improve, every aspect of your player is affected as a result of these changes

EA SPORTS FIFA is the Official Video Game of the FIFA franchise. FIFA is the FIFA franchise's flagship soccer franchise. Originally released on the Super Nintendo Entertainment System in 1995, EA SPORTS FIFA remains the top-selling football game of all time. Its sequel launched in November 1996 on the PlayStation. What is this FUT PUTTY® update? It's all about putting a pipedream into a pastime! The app FUT PUTTY® launches today on Oct 24, 2018 and has been redesigned to bring you gameplay-changing innovations like FUT now powered by FIFA. Whether you're playing FUT or you're just checking out the new FUT PUTTY, here's what you can expect: [A new FUT PUTTY] FUT PUTTY will be an essential part of the FIFA experience. It will improve the game's player distribution, allowing you to form a dream team that matches your favourite club or formation. You'll also see your players' real-world attributes visually superimposed over their FUT PUTTY'd selves. We've worked closely with FIFA, the Premier League and representatives of European top leagues to see what we can do to make the world of FUT PUTTY a reality. [Redesigned FUT PUTTY] FUT PUTTY has been renovated to be truly customisable. You'll be able to create your own FUT PUTTYs. You can also easily change their looks and colours, and add an unlimited number of players to your FUT PUTTY. If you need some help, just search for a template and use it as a starting point. It's about giving you as much control as possible over how you want your FUT PUTTY to look. [New animations] FUT PUTTY sports new animations. Whether you're playing FUT or you're just checking out the new FUT PUTTY, here's what you can expect: Trialling - Players can now be trialled during FUT PUTTY matches. The trial result will be communicated to both players and their manager so everyone knows how a player is performing. Unstoppable - Players have been made more aggressive, and the results of
