Nedgraphics texcelle pro software cracked cracked. Nedgraphics texcelle pro software cracked cracked. So you're saying I should treat computers like they're the s\$%t? I think you're overreacting, but yeah, the "Use OS X as it's meant to be used" thing is slightly racist. I'm new to the site but I know Apple isn't perfect. tedart 01.02.2011, 15:20 Quote: Originally

posted by borntobechild. I agree with your statement. Accepted. Quote: Originally posted by Blondo. Â It's not racist, it's a scientific fact, supported by several modern studies that have proven it. Accepted. Quote: Originally posted by tedart. Quote: Originally posted by borntobechild. That's interesting. Is that from a reputable source? I'm not sure if you're trying to be a douche here or if you're just trying to be intelligent, but I just want to make sure you know what you're talking about. Whoops, I just missed the part where you said you're going to use Windows as you're meant to. That's mean. tedart 01.02.2011, 15:26 I'm just saying that if you have an OS that works for you and you like it, don't force someone else to use an OS they don't want to use. And Windows is a great operating system. tedart 01.02.2011, 15:29 You're right. I don't know why I reacted so strongly
